## A PROGRAM OF LEADERSHIP TALLAHASSEE

### What is Opportunity Tallahassee?

Opportunity Tallahassee is an intensive, one-day overview of our community. The program is designed to acquaint participants with the physical, social, economic and educational structure of Tallahassee. In addition to meeting and networking with some of the area's key decision-makers, Opportunity Tallahassee participants will be given contacts and resources which will enable them to become more effectively involved in community issues.

### Who Should Participate?

The program is targeted at corporate executives, managers and other professionals who may be new to the community and want to know more about the area - - with minimum expenditure of time. It is valuable especially for leaders or potential leaders in the community whose professional commitments have precluded participation in the more time-intensive Leadership Tallahassee program.

### Time Commitment

Opportunity Tallahassee requires a full one-day commitment. The next session is scheduled for Thursday, October 28, 2010. The day begins at 8:00 a.m. and concludes at 7:00 p.m.

### Proposed Curriculum

Designed by members of the Greater Tallahassee Chamber of Commerce and Leadership Tallahassee, the comprehensive curriculum focuses on Tallahassee's history, culture, government, education and economic development. Participants will have a chance to meet with governmental officials, visit local cultural landmarks, and developing areas, and examine the area's educational and economic communities. Detailed itineraries will be sent to each participant prior to the program day.

### Cost

\$250 for Chamber Members; \$295 for Non-members. The registration fee includes breakfast, lunch, afternoon reception, transportation to all sites, and all program materials.
